

## Nissan Forklift Part

Nissan Forklift Parts - Nissan takes great pleasure in achieving complete client satisfaction, when their consumer is experiencing one of their many products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to providing high value and meticulous quality values to their customers. Incorporating a rich heritage combined with strong production principals, Nissan Forklifts offer a few of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide needs of their diverse client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering consumer support, the business has four independent manufacturing facilities that permit them to continually adapt to their clients continually evolving requirements by offering an array of modern ideas and concepts.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a team of 350 personnel, they are dedicated to the design, fashioning, and support of their forklift products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to sustain environmental accountability by using systems and procedures that reduce their environmental footprint. These high standards remind customers that Nissan operates under the quality seal that their clients demand while being an environmentally conscious corporation.

Nissan is certain that they will be capable of addressing any consumer queries or concerns. Always accessible through their website or by calling 800.871.LIFT, contacting one of their community authorized dealers or even visiting their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their warmth and dedication.
