

## Trek Part

Trek Parts - TREK Cleaning Machines is a maker of cleaning machines. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have over 60 years of experience effectively manufacturing, designing, developing, marketing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are committed to offering new design concepts and top quality to be able to meet the diverse needs of their clients.

In their product development; TREK Cleaning Machines continually provides fresh design concepts. They enjoy providing products which energize both their partners and their dealers and offer production gains to their customers.

The TREK team of staff enjoys new challenges and new tasks. They are really proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' needs and skills combined with their understanding of cleaning applications, along with owners' strong desire to dramatically reduce cost through productivity gains.

When needed, the personnel within TREK and its many dealer members in both technical support and parts will be obtainable. Among their core values is their high service commitment in their customer service. Keeping their customers' cleaning machinery ready and functioning day after day is top priority. The company's top of the line technology delivers dependable machinery that eventually lessens your cleaning expense. The product, the price and the service all work as one to make them the leader in the industry.
