

## Axle Tech Parts

Axle Tech Parts - The company of AxleTech International is a large supplier of specialty vehicle drive-train systems and parts along with off highway vehicles. They take great pride in being a preferred supplier to their customer base. AxleTech strives to meet and exceed their clients' expectations for delivery, quality, service and technology. They believe in working in an atmosphere which encourages the highest integrity with empowered teamwork, combined with a unrelenting pursuit of results.

AxleTech International is a General Dynamics company. They believe strongly in actively applying principals of ecological safety and stewardship in how they do business. The company has put different programs in place in order to articulate these values within their business policy. AxleTech gladly shares this policy and welcomes interested parties to offer them with whichever questions or comments, because they are happy to share and promote this policy with a greater understanding of their efforts. They are really devoted to preserving and improving the surroundings. AxleTech has an EHS program which not only protects the environment but which also actively protects their workers and neighbors as well.

AxleTech prides themselves as being an innovative drive-train solutions provider. They specialize in manufacturing and designing planetary axles for both military and commercial applications. These applications range from airport ground support to construction equipment. AxleTech specially designs axles so as to meet specific application demands. They have over 1000 various axle specs in their present offering. With more than 100+ years of history and skill, AxleTech proudly supplies the most complete solution for whatever of your axle requirements. The business is well known in many commercial and military applications. They provide complete axle assemblies for aftermarket replacement needs, along with servicing axle needs for OE production. Their high mobility ISAS have further details which can be found in the "ISAS" product selection.
