Advance-Nilfisk Parts - Think about how tiresome it would be to clean up your own home after having a big party, with out aid from cleaning machines. Back in the day, when carpets and upholstery had the dust beat out of them by hand; brushes, brooms and cleaning cloths were the best cleaning materials back then.

The founder of Nilfisk-Advance, P.A. Fisker, began as an electrical engineer who really liked to work on electrical motors. After founding his business during the year 1906, he began to make motors to drive drills, coffee grinders, fans and machine tools. Mr. Fisker's vision from the beginning was to own an international company advertising goods worldwide.

The Nilfisk C1 was a tremendous breakthrough for the cleaning industry. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and could be operated by a single person. This invention came in a time where many cleaning machines were very big and required at least 4 operators, therefore, the Nilfisk C1 changed everything and evolved the method we clean forever. The mastermind behind these first cleaning machines remains unparalleled. Cleaning equipment provide a brilliant solution to an existing dilemma; things get dirty and need to be cleaned on a regular basis, without too much effort.

Gradually, the business Nilfisk-Advance grew through the years. In the the early part of the 1980's the business expanded fast when the company became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance ahead within the industry, aspiring to be an active worldwide player in manufacturing professional cleaning equipment. Nilfisk-Advance is currently found in all parts of the world due to steadily obtaining lots of smaller businesses in order to expand their product range and presence in new markets. They are really proud to provide a range of cleaning solutions to fit each and every requirement.
