

Fork Mounted Sweeper

Fork Mounted Sweeper - The lift truck mounted broom attachment could truly make industrial sweeping tasks much easier. Meant for use on either wet or dry surfaces, this mounted broom accessory can squeegee water and push snow without problems. This particular attachment is normally utilized in order to clean debris from warehouses, construction sites, docks, parking lots and almost everywhere it is considered necessary. The forklift sweeper is a low maintenance accessory which uses quick-tie tie products to easily mount to the lift truck.
